**FINAL ORDER UNDER 11 U.S.C.
§§ 105, 362, 365, 503(b), 507(a) AND 366 (I) PROHIBITING
UTILITIES FROM ALTERING, REFUSING OR DISCONTINUING
SERVICES ON ACCOUNT OF PREPETITION CLAIMS AND
(II) ESTABLISHING PROCEDURES FOR DETERMINING
REQUESTS FOR ADDITIONAL ADEQUATE ASSURANCE**

Upon consideration of the emergency motion of the Debtors seeking entry of interim and final orders under sections 105, 362, 365, 366, 503(b), and 507(a) of the Bankruptcy Code (i) prohibiting the Debtors' Utility Companies¹, including, but not limited to, the Utility Companies listed on Exhibit A², from altering, refusing, or discontinuing services on account of *outstanding prepetition invoices*; (ii) *establishing procedures for determining requests for additional adequate assurance of payment*, and (iii) scheduling a final hearing on the motion (the "Motion"); and the Court having reviewed the Motion and the Affidavit of Stephen Newton in support of chapter 11 petitions and first-day motions; and it appearing that the Court has jurisdiction over the Motion pursuant to 28 U.S.C. § 157(b)(2); and an initial hearing having been held on the Motion on November 4, 2002 (the "Initial Hearing"); and the Court having determined at the Initial Hearing that granting the relief requested in the Motion was in the best

interest of the Debtors, their estates, their creditors and other parties in interest; and the Court having entered an interim order on the Motion on November 6, 2002 (the "Interim Order"); and it appearing that due and adequate notice of the Interim Order having been provided; and that no other or further notice need be given; and no objections to the Interim Order having been filed; and for sufficient cause shown, it is

ORDERED, that the Motion is granted on a final basis; and it is further

ORDERED, that the Debtors are authorized to pay on a timely basis, in accordance with their prepetition practices, all undisputed invoices with respect to postpetition Utility Services rendered by the Utility Companies; and it is further

ORDERED, that, absent any further order of this Court, no Utility Company (a) listed on Exhibit A to this Order and served with a copy of this Order within five (5) business days after its entry, or (b) not listed on Exhibit A to this Order but subsequently identified by the Debtors and served with a copy of the Motion and a signed copy of this Order, shall (i) alter, refuse, or discontinue service to, or discriminate against the Debtors, solely on the basis of the commencement of these cases or on account of any unpaid amount for utility service provided prior to the Petition Date, or (ii) require the payment of a deposit or other security in connection with the Utility Company's continued provision of utility service, including, but not limited to, the furnishing of gas, heat, electricity, water, telephone or any other utility of like kind furnished to the Debtors; and it is further

ORDERED, that under section 503(b)(1)(A) of the Bankruptcy Code, any unpaid postpetition charges for Utility Services constitute actual and necessary expenses of preserving the Debtors' estates, entitling the Utility Companies to an administrative expense priority under section 507(a)(1) of the Bankruptcy Code; and it is further

ORDERED, that the Debtors' record of payment of prepetition utility bills and demonstrated ability to pay future utility bills constitutes adequate assurance of future payment for Utility Services, pursuant to section 366(b) of the Bankruptcy Code; and it is further

ORDERED, that this Order is without prejudice to the rights of any Utility Company to request from the Debtors additional assurance in the form of deposits or other security; provided, however, that any such request must (i) be made in writing, (ii) include a summary of the Debtors' payment history relevant to the affected account and (iii) be received by the Debtors within thirty (30) days of the date of service of this Order. Any request for additional adequate assurance of payment failing to meet these requirements shall be deemed an invalid adequate assurance request; and it is further

ORDERED, that if the Debtors believe that a request for additional adequate assurance made by a Utility Company, which otherwise satisfies the requirements set forth above, is unreasonable, and the Debtors are unable to resolve the request consensually with the Utility Company, then upon the request of the Utility Company (the "Request") the Debtors shall file a motion for determination of adequate assurance of payment and set such motion for hearing (the "Determination Hearing") on no less than twenty (20) days notice after the date of the Request, unless another hearing date is agreed to by the parties or ordered by the Court; and it is further

ORDERED, that any Utility Company having made a Request shall be deemed to have adequate assurance until the Court enters a final order in connection with such a Request finding that the Utility Company is not adequately assured of future payment; and it is further

ORDERED, that the Debtors shall file with the Court a supplement to Exhibit A to this Order adding the name of the Utility Company(ies) so served, and this Order shall be

deemed to apply to such Utility Company(ies) from the date of such service, subject to a later order of the Court on a motion for determination of adequate assurance, if any; and it is further

ORDERED, that the Debtors shall serve a copy of this Order upon the Utility Companies listed on Exhibit A.
